# CQ SUMMIT 2019: SCALING NEW HEIGHTS

The CQ Summit convenes international leaders and researchers to explore how to make our workplaces, communities, and world a more culturally intelligent place. The 2019 CQ Summit will focus on how to scale new heights in pursuing that goal.

The summit will be offered at three locations and all three certifications will be offered at each one. During the summit, you will have a chance to learn, network, and collaborate with other CQ researchers and practitioners in the region.

## FULL WEEK SCHEDULE AT A GLANCE
